

Achieve Display

Service . Integrity . Reliability

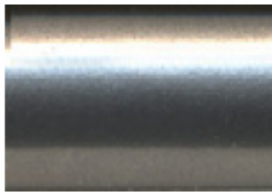

Abstracta Color Choices

Matte Black:
Matte powder coated finish. Conceals finger prints.

White: Gloss, powder coated finish.

Gloss Silver:
Semi-metallic powder coated finish similar to gun metal.

Grey: Gloss powder coated finish approx. 20% black in value.

Chrome: Plated finish with mirrored surface.

Sand: Gloss powder coated finish similar to Pantone Spot 454c

Abstracta Modular Displays are available in a variety of finishes. These are the stock finishes. However, most custom powder coating and plating is available for an extra fee. Ask your sales representative for additional details about custom colors.

We are available to help if you have questions. Please give us a call or e-mail us.
